WHISKY TOURS & EXPERIENCES (OPTIONAL)

The first-of-its-kind experiential whisky museum in Asia houses the largest exclusive collection of over 7,000 rare and vintage whisky bottles on public display. The museum vault holds precious whiskies from some of the oldest and most famous established distilleries in Scotland and Japan, including several closed distilleries. Join a guided tour with our Whisky Ambassador to discover fascinating whisky history and untold stories of whisky. After the tour, savour a tasting flight of three through our carefully curated whisky tasting selections.

- Learn a brief history of whisky and the whisky making process
- Explore world's largest whisky collection and learn about the rare and vintage whiskies in the world
- Prep your tastebuds for a tasting flight of three and learn to identify whisky characteristics and reminiscing aromas
- Taster can compare tasting notes, choose which one you like best and create whisky memories
- Our retail shop offers a unique range of merchandise which can be personalized with laser engraving
